

CHITTENDEN SOLID WASTE DISTRICT

FY 2010 HAULER'S LICENSE APPLICATION

Instructions: This is an application to collect, transfer, or transport solid waste, including recyclables, generated within the Chittenden Solid Waste District (CSWD). The following businesses and institutions must file this application with CSWD: 1) commercial haulers, 2) CSWD municipalities, and 3) businesses and institutions which haul over 12 tons of their own solid waste in a calendar month. Licenses expire annually on July 1. Please complete both sides of this form and return with Certificate of Insurance, copies of vehicle registrations, a copy of Vermont Waste Transportation Permit (if applicable) and a check or money order made payable to CSWD in the amount of \$10.00 per vehicle to: CSWD, 1021 REDMOND RD., WILLISTON, VT 05495. Note: CSWD municipalities are exempt from the fee.

HAULER'S LICENSE CERTIFICATION

I certify and agree to the following:

- 1. The undersigned has obtained, or will obtain prior to commencing activities under the License, all other necessary permits and licenses from the State and all agencies thereof, and all applicable member municipalities of the Chittenden Solid Waste District (CSWD). (For information on the Vermont Waste Transportation Permit, call 802-241-3445).
2. The undersigned will comply with all rules, regulations, and ordinances pertaining to the management of solid waste as enacted by CSWD and all applicable federal, state and local laws, rules and regulations. The undersigned understands that failure to comply may result in suspension or revocation of the License and/or other penalties.
3. The undersigned is not delinquent in payments owed to CSWD, and the required License fee has been paid.
4. The undersigned's employees and personnel have received the education and training necessary to safely and properly conduct the undersigned's activities under the License.
5. The undersigned's financial resources are adequate to allow the undersigned to safely and properly conduct the undersigned's activities under the License.
6. The undersigned's activities under the License will not unduly pollute any element of the environment nor impose any undue burden upon any element of the community.
7. The undersigned will maintain liability insurance coverage at or above the following levels for the term of the License: \$100,000 per person and \$300,000 per occurrence for personal injury or death, and \$100,000 per occurrence for property damage.
8. The undersigned indemnifies and holds harmless CSWD from any and all claims, damages, losses and expenses (including attorneys' fees) to the extent caused by the undersigned's performance under the License or the performance by any agents, officers, subcontractors, employees or personnel of the undersigned at facilities owned, leased, or operated by CSWD.
9. Every vehicle used by the undersigned or on the undersigned's behalf in the collection, transfer, transport, or disposal of solid waste will be prominently labeled with an identification number provided by the District. The decals will be affixed to the front doors on the right and left sides of the vehicle.
10. The undersigned will pay full all bills owed to CSWD when due.
11. The undersigned will not deliver or dispose of any solid waste generated within CSWD at any facility not designated in his or her Hauler's License.
12. The undersigned will not place or cause to be placed any solid waste on private property unless lawfully authorized by the owner of the property and such placement is lawfully permitted.
13. All vehicles used by the undersigned to collect solid waste will retain and prevent the release of all solid waste contained in vehicles. This includes any liquids created by solid waste.
14. All solid waste collected by the undersigned that is destined for disposal will be delivered to and deposited at a transfer or disposal facility within forty-eight (48) hours of collection.
15. The undersigned will provide (independently or through duly licensed subcontractors) collection of mandatory recyclables at least once monthly to all customers for whom such Hauler provides collection of solid waste destined for disposal. The undersigned will not offer and his customers will not subscribe to trash only collection service unless recycling collection service is provided or subcontracted by CSWD or a member municipality or unless they obtain an exemption from CSWD.
16. The undersigned will provide recycling instructions to new customers when service commences and to all customers on an annual basis at a minimum. (Recycling instructions are available from CSWD at no charge.)
17. The undersigned will not collect or dispose of mandatory recyclables set out for collection.
18. The undersigned will not knowingly collect for disposal solid waste that contains mandatory recyclables, hazardous waste, major appliances, tires, untreated regulated medical waste, waste oil, lead acid batteries, nickel-cadmium and other rechargeable batteries, mercuric oxide and silver oxide batteries, paint (excluding solidified water-based paint in quantities of less than one gallon), yard waste, and/or scrap metal larger than one cubic foot or weighing more than twenty-five pounds.
19. Recycling containers provided by the undersigned will be colored royal or medium blue OR have a royal or medium blue recycling symbol decal on the front and at least one side of dumpsters used for mandatory recyclables collection and on the front or top of wheeled carts or other similar recycling containers. Recycling containers provided by the undersigned will also be clearly labeled with a list of mandatory recyclables. (Both types of decals are available from CSWD at no charge.)
20. The undersigned understands that any solid waste hauled that is destined for disposal that was generated in CSWD must be weighed on a District-licensed scale.
21. To the best of the undersigned's knowledge, the information provided on this application and all accompanying documents is true, accurate and complete.
