### The Rover Rides Again!

The last days of March mark the first day that CSWD's mobile household hazardous waste collection truck, dubbed "the Rover," emerges from its long winter's nap, and begins holding special collection days in towns throughout Chittenden County—just in time for spring cleaning!

While the Environmental Depot (1011 Airport Pkwy., S. Burlington) collects the following materials free of charge year-round, the Rover accepts household hazardous waste from Chittenden County residents only Marcy 29 through October 18. Both the Rover and the Environmental Depot accept most types of hazardous wastes, including the following:

- **Automotive supplies**, such as antifreeze, auto-body filler, brake fluid, gasoline, grease, motor oil, oil filters, solvents, transmission fluid, and wax.
- **Health and beauty aids**, such as hair dyes, nail polish and remover, and thermometers
- **Home Improvement Supplies** glues, paint and thinner, roofing tar, stains, strippers, and varnish
- **Household cleaners**, including ammonia, chlorine bleach, drain openers, furniture polish, oven cleaners, rug and upholstery cleaners, and tub and tile cleaners
- **Garden supplies**, such as fertilizers, herbicides, insecticides, and poisons
- **Hobby supplies**, such as acrylic paint, chemistry sets, photographic chemicals, pool chemicals, and pottery glaze
- **Miscellaneous items** include ballasts and capacitors, batteries, flea powder and shampoo, fluorescent light bulbs, and propane cylinders.

"We're bringing the Rover to each town to offer residents of Chittenden County an opportunity to rid their homes of hazardous wastes," says Jennifer Holliday, CSWD's environmental and safety compliance manager. "While residents as well as conditionally exempt businesses can bring their hazardous wastes to the Environmental Depot in South Burlington year-round, you can't beat the convenience of a roving collection unit for households."

For more information on the Rover, its schedule, and what you can bring on collection days, call CSWD's hotline at 872-8111, or visit [www.cswd.net/facilities/rover.shtml](http://www.cswd.net/facilities/rover.shtml).
