

Memorandum of Understanding

I _____, as a representative for _____ school, understand that this worm bin is for educational purposes **and** will be presented with the information about waste reduction (provided by CSWD) in the classroom.

Each classroom is responsible for the care of the worms and will contact CSWD with any concerns or questions. At the end of the school year, the bin will be returned with the worms to CSWD for the summer or it will be maintained by the classroom teacher to be used the following year.

My total audience/class size is _____ students

The classroom unit we are currently studying is _____

I've received the following as part of this teaching kit

- Black food scrap bucket with lid for classroom compost collection
- Red Wiggler worms
- Starter compost for the bin
- A small sample of sandy soil
- CSWD Composting with Worms Guide
- CSWD Worms in Your Classroom lesson plan
